

STEP III, 2012 Q12 EC

12. Under 9% of candidates attempted this, though the level of success was comparable with that achieved in questions 3 to 6, 10 and 11. The derivation of the pdf was, in many cases, the stumbling point whether being found directly, or via the cpf, lacking clear explanation. The expectation caused few problems. The second part reflected the first in each respect.
